This endorsement modifies the insurance provided by the **Policy** by providing additional coverage known as “Coverage J”, subject to all other terms and conditions of the **Policy**, as follows:

COVERAGE J:

PSDA has partnered with the nationally recognized law firm of Wilson, Elser, Moskowitz, Edelman & Dicker, LLP (“Wilson Elser”) to offer a Toll Free Risk Management Hotline (“Hotline”). The Hotline is available to all of PSDA’s insureds under the Public Servants Legal Defense Plan.

PSDA insureds participating in the Public Servants Legal Defense Plan can access the Hotline toll free at [*Client to supply no.*] The Hotline is staffed with knowledgeable attorneys and messages will be returned within 24 hours of the initial inquiry. Please make certain to have your PSDA policy number and, if you are an individual insured, your PSDA insurance certificate number available when you call.

The Hotline will provide PSDA insureds participating in the Public Servants Legal Defense Plan with up to two FREE HOURS of legal consultation with knowledgeable attorneys on common issues related to the coverages provided by your Public Servants Legal Defense Plan policy to help you understand how the Plan can work to protect you from the cost of defending civil, criminal and/or administrative proceedings arising from an insured’s performance of his or her job duties as a public servant, etc. The two free hours of legal consultation per insured is per policy year.

The Hotline is not a claims reporting hotline. Claims should be reported using the normal procedures set forth in your PSDA policy. The purpose of the Hotline is to help you understand issues that can be important to you in your defense of legal claims, administrative investigations or disciplinary proceedings in conjunction with your PSDA policy coverage.
